**Don't forget Mission  
Offerings for chapel on  
Friday!**

# General School Updates

## Hearing and Vision Screening on Monday, September 17th

All students will have their hearing and vision screened on Monday, September 17th. Parents will be notified shortly should the results indicate any recommended action. Those who volunteered to help with the screening at registration, please arrive at school by 12:30 P.M. to be trained by our school nurse.

## Cross Country Meet Permission Slips (Grades 3-8)

Permission slips were sent home this week with all 3-8th graders for the upcoming Lutheran Grade School Cross Country Meet at Minnesota Valley Lutheran High School on October 5th. Any 3-8th grade student is invited to participate. We have been working on our distance running skills in Physical Education classes to help us prepare for this event. If you wish to allow your child to participate, please return the permission slip by Thursday, September 27th.

## Chapel Mission Offerings

On Friday mornings at 8:05 of most weeks and on the second Thursday of each month at 1:00 P.M. we have our weekly chapel services. Each chapel service we collect a Mission Offering. This semester's mission offering is going to support Asia Lutheran Seminary in Honk Kong. Asia Lutheran Seminary trains pastors to spread the Word of God throughout Asia to millions of people who do not yet know Jesus as their Savior. All students are invited to bring along a mission offering to chapel to contribute towards the spreading of the gospel through this ministry.

# Little Lambs Preschool Updates

**Theme :** Apples

**Letter:** Bb

**Color :** Yellow

**Bible Story:** God Creates Man and Woman

**Memory Verse:** I am...wonderfully made. - Psalm 139:14

## K-2 Classroom Updates

This week, we set goals for the upcoming months. We first talked about what we want our classroom to look like, sound like and feel like. Miss Yotter loved to hear words like calm, happy, joyful, and included as ways to describe our classroom. We then set goals for the next weeks. Many of our goals focused on using level one or two voices in the classroom (whisper or quiet talking) or goals that focused on listening to directions the first time. We will also be setting goals in literacy (reading and writing) and math!

## 3-5 Classroom Updates

Third through fifth graders colored cards this week for WELS prison ministry. The people who receive these cards do not receive love from everyone they meet. Our class prays together that God uses his Word to grow faith in the hearts of people serving sentences. We also hope a kind greeting from us encourages them as they grow in faith.

## 6-8 Classroom Updates

This week in Social Studies the 7-8th graders have been studying how our nation's Constitution was constructed and what it all says. Each of the students selected a portion of the constitution, studied it, and presented a Slideshow using their Chromebooks about what they found within their section. In grades 6-8 we have enjoyed reading our first novel, Tuck Everlasting. In this novel some of the characters come across a water source that allows them to live forever. Despite this sounding like a good thing, these characters find out that living forever also has some surprising downsides. The discussion of living forever has led us into some deep conversations about our Christian faith and heaven. As Christians we have a place promised to us through faith in Jesus where we will live forever. God promises that this place will be without sin and will be nothing but joy and peace for eternity. We look forward to this eternal life with our Savior!
