**1**

**Busy week of Soccer Games Ahead! See Soccer Schedule!**

**2**

**Mid-Quarter Grades will be given on October 1st**

**3**

**Don't forget Mission Offerings for chapel on Friday!**

# General School Updates

## **Soccer Team Wins Championship!**

On Saturday, September 15th our Saint Peter Lutheran Eagles soccer A team took first at the annual Risen Savior Lutheran Grade School Tournament. They finished the tournament 4-0 and won the championship game on penalty kicks! Congratulations!

## **Cross Country Meet Permission Slips (Grades 3-8) Due Soon!**

Permission slips were sent home last week with all 3-8th graders for the upcoming Lutheran Grade School Cross Country Meet at Minnesota Valley Lutheran High School on October 5th. Any 3-8th grade students are invited to participate. We have been working on our distance running skills in Physical Education classes to help us prepare for this event. If you wish to allow your child to participate, please return the permission slip by Thursday, September 27th.

## **Yellow Hot Lunch Statement Envelopes**

This year John Ireland School, through whom we get our hot lunches, will be sending home hot lunch statements to families via a yellow envelope. This will keep families informed of how many lunches their children have ordered and any amounts due to pay for lunches. John Ireland would like to get these yellow envelopes back each time to prevent them from having to always print a new set of envelopes each time statements are released. Please remove your family's hot lunch statement and send the empty envelopes back to school. All hot lunch payments and deposits should still be made directly to John Ireland School.

# Little Lambs Preschool Updates

The preschoolers had fun this week watching and exploring the live frogs ,toads and tree frogs we had in the sensory table. We are learning about apples , made mock apple pies and apple prints.

Next week the letter is "C". We will finish our apple theme with apple tasting and by watching Johnny Appleseed.

The Bible story will be Adam and Eve Disobey God.

**Memory Treasure:** Romans 3:23 All have sinned

## K-2 Classroom Updates

We have been learning lots in K-2! This week we have been learning about how we are responsible, respectful, really safe, and ready to learn. We talked about what each of those means and how when we work together, we can do so much more. We also have been learning about how readers and writers stretch their brains. Readers and writers set goals and make plans to work toward those goals. We also learned that readers take sneak peeks, do something at the end of their books, and reread their books to grow stronger!

## 3-5 Classroom Updates

In art we did leaf prints this week. All of us are reading historic fiction for our reading novels. We are studying outer space in science. We'd all like some clear weather so we can see outer space again.

## 6-8 Classroom Updates

This week we finished off our novel, Tuck Everlasting. Over the course of the book, we learned 31 new vocabulary words that we have challenged ourselves to use in our everyday speaking and writing. All the 6-8th graders are currently working on a writing project in which they describe the members of their family and the things that make their families unique. It has been fun to read the first drafts of the projects, and I think we are all learning facts about one another's families that we didn't know before. We have also been talking about greed in afternoon devotions. We have been reminded that lasting peace and happiness can never be found in the stuff or money of this life. Rather, true and lasting peace and happiness come only through faith in Jesus. Jesus is truly our greatest treasure.
