12/3/18**

3

**Children's Christmas
Service 12/13/18
6:30 P.M.**

General School Updates

Please Remember Your Winter Snow Gear for Recess!

Students have been reminded that they will be expected to have hats, gloves, and coats to participate in recess outside each day. With the temperatures dipping lower as the days go by, sweatshirts are not an allowable substitute for winter jackets. Boots and snow pants are required any time there is snow covering the ground. Please remind your children to bring these items to school each day so that they can participate in our recess times outside!

Children's Christmas Service on Thursday, December 13th (Preschool - 8th Grade)

Our students in preschool through 8th grade have been working very diligently to learn their songs and recitations for the upcoming Children's Christmas service on Thursday, December 13th at 6:30 P.M. Since our students all play key roles, it is vital that all are in attendance that evening. We look forward to sharing the joy of the birth of our Savior, Jesus with you that evening!

Could Your Family Host a Student Teacher?

From January 17 - March 29, Sydney Cody from MLC will be completing her student teaching experience in the K-2 classroom with Miss Yotter. We are looking for a family/individual to house Ms. Cody for her 10 week experience. Reimbursement is available. Please contact Mr. Gurgel for additional information. What a wonderful opportunity to welcome a future teacher into our midst!

Little Lambs Preschool Updates

We are excited to start our unit on The Gingerbread Man. We have a lot of fun activities planned over the next few weeks.

The week of December 3rd-7th:

Theme: The Gingerbread Man

Letter: Mm

Color : Blue

Shape: Circle

Bible Story: Jesus is Born

Memory Treasure: 1 Timothy 1:15 Jesus came...to save sinners.

December Birthdays:

Layla 20th

Elliana 22nd

Eva 30th

Eleanor 30th

Reminders:

Messy Monday December 3rd 6:15-7:00, Tuition is due December 7th. Please remember to send hats and mittens to school. Snow pants and boots when needed. We will be going outside most days as long as the weather allows it!

K-2 Classroom Updates

Did you know that your skin has three different layers? The K-2 class has been learning about their bodies over the last three weeks. We learned about the different parts of our brain (cerebrum, cerebellum, corpus callosum, and the brain stem). We also learned about our bones and muscles. We learned that we need different foods to help different parts of our bodies and how exercise and drinking water helps our body be its best. We have been amazed at how God made us so that we can do all the things we love to do!

We can't wait to sing at the mid-week Advent service on Wednesday, December 5th!

3-5 Classroom Updates

We have been busy learning about the Southeast region of the United States. In reading we are learning about historic characters in Maine and Wisconsin. We have finished our "how-to" articles and are delving into more about verbs and how to select the best ones when speaking and writing. Multiplication tables are important daily memory tasks for everyone once again. The classroom is decorated for Christmas. We are excited to observe Advent!

6-8 Classroom Updates

We were contacted this week by Minnesota State Senator Nick Frentz's office letting us know that he would like to visit our students at our school on December 14th to respond to the letters regarding abortion that we wrote to him earlier this school year. He plans to talk to us about our letters and share with us what he does for his work as a state senator. We are excited to have our state senator visit our school!

The 6-8th graders have all chosen a president and are hard at work researching and writing a report about their lives and presidency. We have learned many new and interesting facts about our chosen presidents. We look forward to finishing up our first drafts next week.
