## K-2 Classroom Updates

The K-2 class is having a blast celebrating the end of the school year. This week, we enjoyed shaving cream, team activities, unbelievable fun, and having fun with water. We loved being outside at the arboretum and learning about Japanese gardens. We noticed how they sometimes use rocks to create their gardens and we loved seeing all the tulips that were in bloom too. Our favorite part of the US Bank Stadium was probably going to the very top for those of us that tried, seeing the Vikings locker room, and seeing the horn.

We are looking forward to our final days next week, our spring program, and our trip to Mill Pond!

## 3-5 Classroom Updates

This past week has been a lot of fun for our class. The field trip to the Minnesota Landscape Arboretum was peaceful and beautiful, but visiting US Bank Stadium was really exciting. Our extra recess was wet, but a nice break from studies and projects. We are enjoying practices for our Spring Program.

We look forward to the activities of the last week of school. Monday is another day off, and who doesn't like a holiday? Our Spring Program is going to be fun to present. We hope it will be fun for you to watch on Wednesday at 6:30 PM. Thursday is only a half day of school. Our combined Ascension worship and graduation Thursday evening will be an exciting chance to worship Jesus together and celebrate how he rules and guides us all each day.

Happy summer!

## 6-8 Classroom Updates

We finished up our written report projects and will have them displayed for our congregation members on Sunday. We look forward to everyone seeing all of our hard work!

The 8th graders enjoyed the annual "8th Grade Meal Out" that each year's graduating 8th graders get to take part in with Mr. Gurgel. This year's 8th graders chose to go to Godfather's Pizza for the pizza buffet. We wish our graduating 8th graders, Ethan Hofman, Hunter Prins, Tate Winkelmann, Kathy McLane, and Magnus Soderlund God's blessings as they graduate this next week and head on to high school!

We all enjoyed our field trip to the Minnesota Landscape Arboretum and U.S. Bank Stadium this week. Even Mr. Gurgel (a staunch Packer fan) was impressed with the Viking's stadium.
