General School Updates

All Day Track Meet Gr. 5-8 - May 6 (May 8th Rainout Date)

As part of our Physical Education program, all 5-8th graders will be traveling to the annual Lutheran Grade School track meet in Sleepy Eye on Monday, May 6th. Students should bring along a lunch, snacks, and plenty of water or sports drinks to stay hydrated throughout the day. Sunscreen and layered clothing will also be helpful depending on the weather that day. Track spikes may be worn, but are not necessary. That morning we will need to leave school right away at 8 A.M. The field events begin at 9 A.M. and the running events begin at 10 A.M. The meet typically lasts all day. Last year we got back to school around 2:45 P.M. but it will always depend on how many students are participating from each school and in each event and how efficiently the meet runs. Rain is predicted for that day in the latest forecasts. Should the meet be cancelled due to weather, the meet will be moved to Wednesday, May 8th.

Annual K-8 Field Trip - May 23

K-2 Classroom Updates

The K-2 classroom stretched their brains this week as we completed our MAP testing on Tuesday and Wednesday. It was wonderful to see how they kept trying and did their best. Way to go!

This week also brought letters E-I for our countdown to the end of the school year. E was for Eagles. (We got to watch the Decorah Eagle webcam.) F was for family and friend. (We loved looking at family photos.) G was for gum. (This was a favorite!) H was for having a ball. (We loved playing soccer during recess.) I was for ice cream cones!

We are looking forward to next week for letters J-M!

3-5 Classroom Updates

Happy May Day! We greeted each other this way on Wednesday. It's hard to believe the last month of school is already here. We are busy putting the finishing touches on our research reports, studying our last units in every class, and scrambling to finish our last reading novels. Even our read-aloud novel is only a little over half finished.

We are enjoying our "last-time" events: reading with the therapy dog, putting together our last jigsaw puzzle, this year's track meet (gr. 5) at Sleepy Eye, and help from our tutoring volunteers, Mrs. Lind and Mrs. Zahn. Thanks to them for their dedication in helping us every week!

We also look forward to all the fun things the month will bring: visits from the second graders, our hard-earned extra recess day, field trip, field day, Spring Program, and singing for the Ascension/Graduation service at the end of the month.

6-8 Classroom Updates

This week we started writing our paragraphs for our research reports. Next week we will wrap up our first drafts and begin editing. We collected all of the sources we used and recorded them in a bibliography. A lot was learned about our chosen topics!

Our students are excited to participate in the annual Lutheran Grade School Track Meet. We have been working on our track skills over the past month in P.E. classes. All the students have chosen their running and field events that they wish to participate in and are ready to go! We look forward to reporting on how we did next week!

The students realized that this week of school is our last "normal" 5 day week of classes. Because of the field trip, the track meet, and a couple of scheduled days off of school, we won't have another 5 day week of classroom instruction this school year! This is just one more reminder of how close we are to the end of the year. We pray God blesses us with a strong end to the year!
