Creation	P. 7-13	P. 18-27	Genesis 1
Adam and Eve	P. 14-17	P. 28-37	Genesis 2

General School Updates

Welcome Back to School!

We had a great first week of school at Saint Peter Lutheran School! We began the year with a record 81 students enrolled from preschool through 8th grade. We also enjoyed making use of our newly renovated upstairs school wing! God's blessings on the new school year!

Student Teachers Arriving Next Week!

Beginning Tuesday, September 3, two student teachers from Martin Luther College in New Ulm will be at our school for 10 weeks as they finish off earning their degrees in education. As the weeks go by, they will teach more and more classes and work with our teachers as they train to become full time teachers in a WELS elementary school like ours. Mrs. Voss will be in the K-2 grade room working under Miss Yotter. Mrs. Routhieaux will be in the 6-8th grade room working under Mr. Gurgel. Please greet them and help them feel welcome on our campus!

Soccer Permission Slips and Payments

Soccer for grades 3-8 begins on Tuesday, September 3rd with our first practice. If your child plans to participate, don't forget to return the permission slip and soccer fee to school prior to that first practice. Practices will be at Gault Park. Your child will need a ride to practice. Parents are welcome to drive their children to Gault after school for practice. We will also have multiple families driving to Gault each day, so don't be afraid to approach Mr. Gurgel for help in finding a carpool if that would be helpful as well.

Little Lambs Preschool Updates

We had a great start to the school year in preschool. We are making new friends, learning classroom rules, reading stories, learning songs and finger plays, We are also learning about how much Jesus loves us which makes our day so special.

Have a great weekend!

God's Blessings

K-2 Classroom Updates

We are excited to have 18 K-2 friends in our room this year: 7 in kindergarten, 7 in first grade, and 4 in second grade! We are learning many different routines to help our time in our classroom and at school go well. We learned about how God created the whole world in just six days, and that He created each one of us and made each of us unique. We also learned that learning takes hard work and we have to do our very best every time. Next week, we are looking forward to meeting Mrs. Voss, our student teacher. We have her desk ready and can't wait to meet her on Tuesday.

3-5 Classroom Updates

The first day of school was a lot of fun for the 3-5th graders. There is a lot for third graders to remember, but their big partners are helping. It won't be long before everyone remembers what is left to be done and how to get it all done on time. We found out there are a lot of different activities to enjoy during a day. We are really excited about the beautiful weather. Recess is especially fun. We are looking forward to phy. ed. and soccer practices, both starting next week. Have a great Labor Day weekend!

6-8 Classroom Updates

We had a great first week of school! We enjoyed helping our 6th graders "get up to speed" on how our 6-8th grade classroom runs. We are excited to have three 6th graders in our room that are new to our school!

Next week we will have our student teacher, Mrs. Routhieaux, joining us for 10 weeks as she trains to earn her teaching degree. We look forward to getting to know her.

Students have been reminded to bring their homework folder and assignment notebook home each night from school. Parents are encouraged to look over these items to find out what their children have been working on and to help set good habits at home of finishing all work and staying organized for school.

Have a great long weekend. We will see everyone on Tuesday!
