10 Commandments	P. 120-123	P. 100-107	Exodus 19-20

General School Updates

School Photos Taken - Retake Day is Tuesday, November 19

School Pictures have arrived! Even those who did not order photos should have received a small photo sample from which additional pictures can still be ordered online at a later time. Any families dissatisfied with their child's picture will have the opportunity to have the picture retaken on Tuesday, November 19th. Let us know if you would like a retake as soon as possible so that we can plan to have the photographer come in again on that day. A few families let us know that they did not get the pictures they had ordered or had an error in the child's name on their photos. If you had any issues, please call the number included with your picture packet or on the order card everyone received when photos were delivered. If you still have any issues, speak to Principal Gurgel to help get the problems straightened out.

No School - Friday, November 8th

Due to a one day teachers' conference that our teaching staff will be attending at Martin Luther College, there will be no school on Friday, November 8th. We hope families are able to enjoy some extra time at home together!

Thanksgiving Family Lunch - November 27 - 11:45 A.M.

This year we again plan to keep our tradition going of hosting a "Thanksgiving Family Lunch" on the last day before Thanksgiving break. Family members (parents, siblings, grandparents, etc...) are invited to come and eat lunch with us. There is no hot lunch available that day. Students and families should bring along a cold lunch to eat. Families also can bring in fast food for them and their children if they desire. A Thanksgiving devotion for the entire group will be led following lunch time and then family members are invited to join us outside for our afternoon recess. To help us get a count of how many will be coming, a note will be coming home next week to ask how many from your family plan to attend. We hope you can join us!

Little Lambs Preschool Updates

We had two very special visitors come to our M-W-F and T-W-Th sessions. K-9 officer Paul and Police Dog Dillon came to visit! We learned all about the work that Dillon does for Nicollet County. Thank you so much.

Week of November 11th -15th

Theme: Family

Letter: "Kk"

Color: Gray

Shape: Rectangle

Bible Story: David and Goliath

Memory Treasure: Trust in the LORD with all your heart. (Proverbs 3:5)

Reminders:

- Tuition is due.
- NO SCHOOL Friday November 8th.
- Blessings on your weekend!

K-2 Classroom Updates

The K-2 class is excited for all the snow and the opportunity to play in fresh, new snow! We love to slide on the snow, make snowmen, and play snow tag!

This week also brings the end of Mrs. Voss's time in our classroom. We have been incredibly blessed to have her in our room and will miss her a lot! We wish her God's richest blessings as she completes her second student teaching experience in New Ulm and one day, God willing, begins teaching in her own classroom!

Next week will bring Mrs. Prins in our classroom. Mrs. Prins, an MLC student, will be completing her second student teaching experience in our classroom. Make sure to say hi when you see her!

3-5 Classroom Updates

Grades 3-5 are enjoying a little down time between sports seasons. We found out serious learning can be fun. In our read-aloud time, we are hearing Kingdom of the Birds, a fictional book about a young boy who is assigned as a page to Martin Luther during his stay at Wartburg Castle. It is fun to see every day what new adventures Seppel will have.

With Reformation and Halloween behind us, we are already thinking ahead to upcoming holidays. Our free time activities include Thanksgiving writing challenges. We had fun sliding turkeys around on the SMART board to find "How-to" topics to turn into mini-speeches for our class. Next week we will begin memorizing songs and recitations for our Christmas worship service, only a month away!

It was exciting to bring our snow gear to school and to use it! November snow is always fun, because you can build things with it! We are thankful for all God's blessings.

6-8 Classroom Updates

We were sad to see our student teacher Mrs. Routhieaux's time with us come to an end. We wish her God's blessings as she heads to one more student teaching experience and then one more semester at Martin Luther College before her graduation. She then will make herself available to be assigned to any WELS school around the nation. We look forward to finding out where God will use her as a full time teacher!

This week the 6-8th grade class got to travel to Minnesota Valley Lutheran High School to take part in the annual Veteran's Day Ceremony. We heard an Air Force veteran speak and applauded and showed support for the over 100 veterans and their families that were in attendance. We also heard some great, patriotic band music played by the MVL band. We all came away more thankful for the blessing God has given us in our veterans who work hard to defend and protect us.
